THE SURROUNDINGS

On Sardinia's sun-kissed southern shores, just beyond Santa Margherita di Pula, the Mediterranean's turquoise waters and sunlit beaches create the perfect backdrop for a retreat of refined sophistication

Just beyond Oasi Blu,
Sardinian coastline
unveils aromatic
landscape of myrtle,
juniper, and
helichrysum, ancient
olive trees, wind-shaped
dunes, and crystalline
waters— from the soft
sands of Chia to the
turquoise bay of
Tuerredda.

Moments away, pink
flamingos glide across
serene, protected
lagoons,
a quintessential
Mediterranean wildlife
experience.

Every shimmer, hue, and reflection of the ever-changing Mediterranean is echoed within architecture, interiors, and views, capturing the endless play of light and color that defines the island's coast.
